TAC VISION

GOD's Word Proclaimed; GOD's Kingdom Advanced

➤ TAC will focus on the Two-Fold Vision in the coming years:

God's Word & God's Kingdom.

➤ We must have a balanced vision that focuses on both.

➤ **God's Word** as the foundation of our ministry.

➤ **God's Kingdom** as our ultimate source of power for our mission.

➤ We must ask God to renew our vision so that TAC will be fruitful and impactful for the next 50 years.

➤ The decision made 50 years ago was an act of faith.

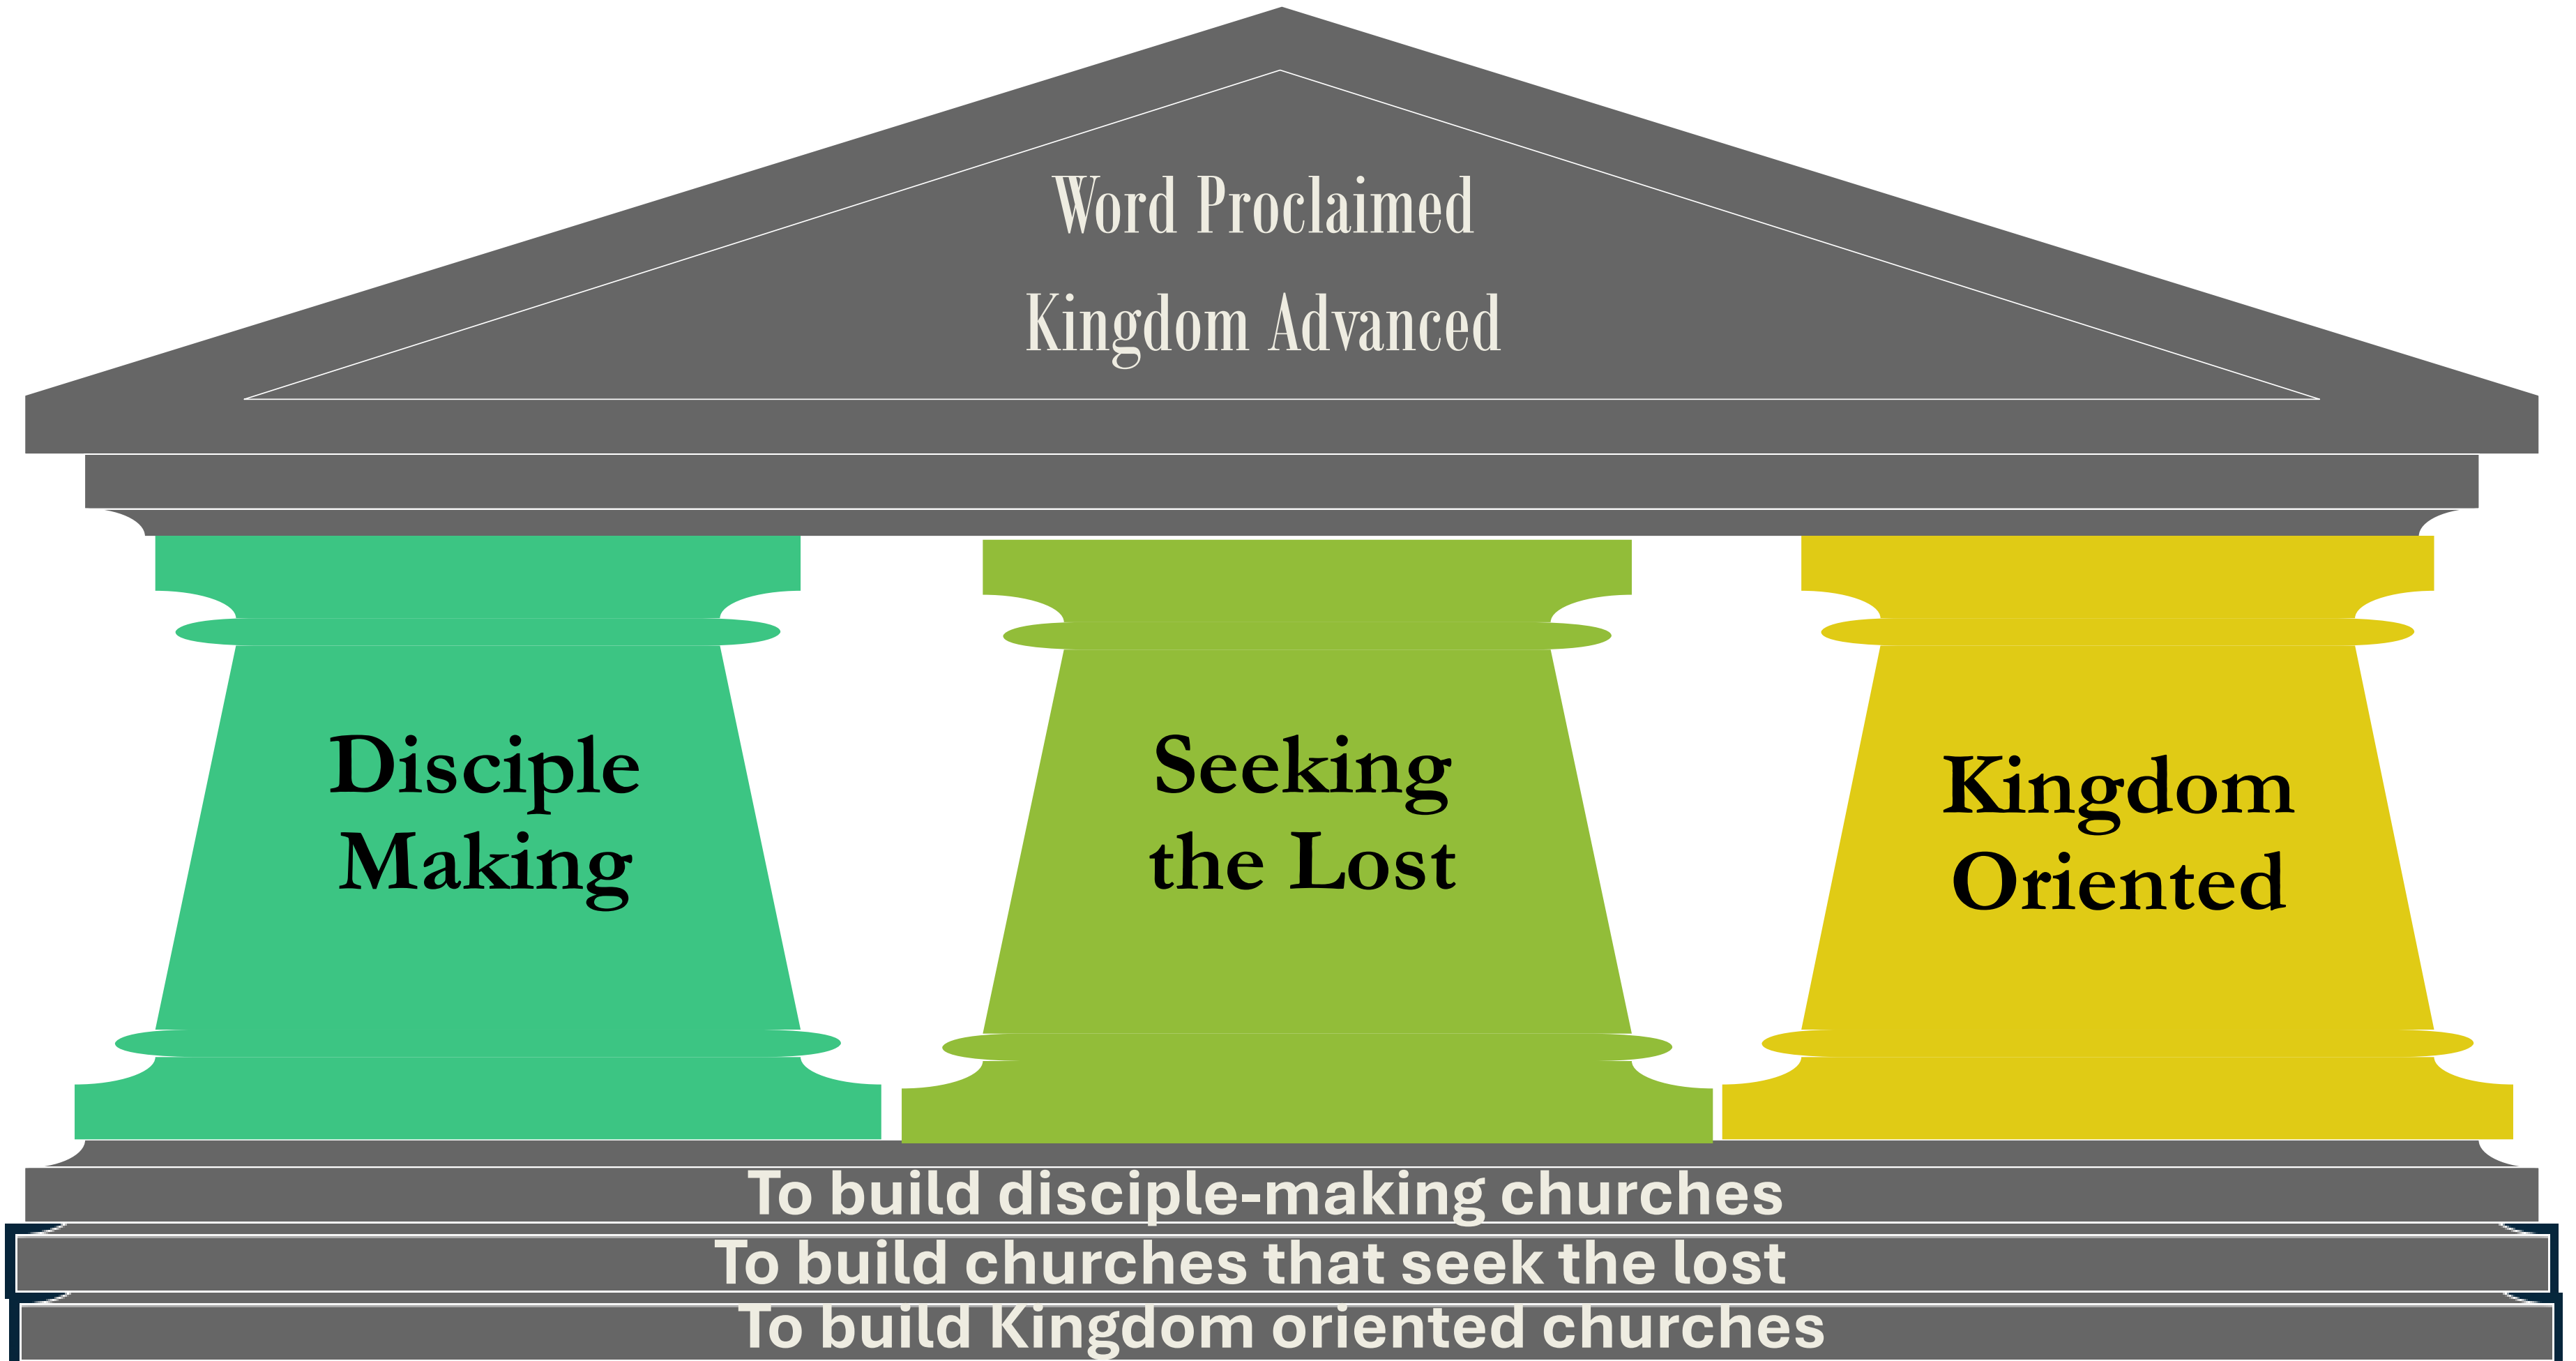

➤ We cannot walk blindly into the next 50 years.

➤ We must be guided by God's Word with a kingdom-focused vision.

➤ Isaiah 43:19 – God is doing a new thing, and we must perceive it, embrace it, and walk in it.

➤ May we commit to seeking God's Word and advancing His Kingdom as we move forward.

TAC VISION : OUTCOME FROM THE JOINT BOARD CONSULTATION

INTER-GENERATIONAL DISCIPLESHIP: A STRATEGIC BLUEPRINT FOR THE TAMIL ANNUAL CONFERENCE.

- The need to disciple all our members, especially from a young age, comes directly from the scriptural mandate given by Jesus in Matthew 28:19,20.
- We cannot readily assume that all our members are being adequately disciplined just because they attend our Sunday worship services on a regular basis.
- All local Church pastors and leaders should pay much attention to the spiritual needs of our members, to ensure that intentional inter-generational discipleship is a conscious focus and priority of the local church LCEC.

Why is this important and urgent?

- When a church fails to see the need to sow now, it will soon become the reason for the downfall of the local church in the upcoming future.
- It will lead to us having immature members with deep seated character and shallow spirituality issues.
- It will also promote the rising of leaders who lack the understanding of how a church needs to be administered spiritually.
- Assuming that our children are readily able to bring lessons from Bible stories into making Godly life choices may not be the truth.
- Restricting discipleship as something solely based on the knowledge of the contents of the Bible will fall short, as they may get an 'A' for Bible knowledge but fail miserably in real life.
- Our children and young people are bombarded daily with practical issues that require spiritual answers.
- If the local church does not address these emergent issues by giving them the needed guidance, the answers would come from various quarters who will not be aligned with the teachings of the Bible.

How are we going to do this?

- What we sow now, we will reap the spiritual fruits abundantly later.
- The strategic blueprint is developed to provide direction and to set a minimum standard for Christian Discipleship in all our TAC churches.
- A focussed discipling exercise will be formulated, by utilizing the right people and resources that we readily have at our disposal.
